Subject: USEPA Niagara Falls Boulevard Site-GNBC Permit Approval

---

Good Afternoon:

Happy New Year to everyone!!

I was hoping to get an update on the status of the permit approval for the GNBC Office Area rebuild at the Niagara Falls Boulevard Site.

I know that the blue prints were dropped off at the city office on December 19<sup>th</sup>. Then the city had some questions for the architect. That response letter was sent to the city I believe last week some time.

Are there any pending questions? If not, can we get an estimate for permit approval?

Thanks so much. Hope all is well.
